

my.verstka.io Privacy Policy

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally Identifiable Information' (PII) is being used online. PII, as described in US privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

What personal information do we collect from the people that visit our blog, website or app?

When registering on our site, as appropriate, you may be asked to enter your name, email address or other details to help you with your experience.

When do we collect information?

We collect information from you when you register on our site or enter information on our site.

How do we use your information?

We may use the information we collect from you when you register or sign in to surf the website, or use certain other site features in the following ways:

- To personalize your experience and to allow us to deliver the type of content and product offerings in which you are most interested.

How do we protect your information?

We do not use vulnerability scanning and/or scanning to PCI standards.
We only provide articles and information. We never ask for credit card numbers.
We do not use Malware Scanning.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

We implement a variety of security measures when a user enters, submits, or accesses their information to maintain the safety of your personal information.

All transactions are processed through a gateway provider and are not stored or processed on our servers.

Do we use 'cookies'?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site's or service provider's systems to recognize your browser and capture and remember certain information. For instance, we use cookies to help us remember and process the items in your shopping cart. They are also used to help us understand your preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

We use cookies to:

- Understand and save user's preferences for future visits.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to

turn off all cookies. You do this through your browser settings. Since browser is a little different, look at your browser's Help Menu to learn the correct way to modify your cookies.

If users disable cookies in their browser:

If you turn cookies off, Some of the features that make your site experience more efficient may not function properly. Some of the features that make your site experience more efficient and may not function properly.

Third-party disclosure

We do not sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information.

Third-party links

We do not include or offer third-party products or services on our website.

Does our site allow third-party behavioral tracking?

It's also important to note that we allow third-party behavioral tracking.
